

November 1, 2011

Below are anticipated construction activities for the week of 11/14/2011.

**\*\*While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

The traffic restrictions on New Jersey Street, Louisiana Street, and South Street will be ending soon. The paving is complete for the portions of the trail that we are completing this year. Pavement striping will be ongoing over this coming week. The section of trail between Pennsylvania Street and Delaware Street should be complete by December 1. Our goal for completion of the other sections of the trail is to be substantially complete by Thanksgiving.

The Central Corridor (Washington Street) is proceeding well with the contractor placing plantings in the blocks between Delaware Street and Meridian Street. He is also pouring the last of the Embassy Suites driveway Friday, November 11. The contractor is working on placing the pavers in the block between Illinois Street and Capital Avenue and should have this complete by the end of next week, November 18. This last block, between Illinois Street and Capitol Avenue, will be milled and resurfaced starting the middle to the end of next week. Striping will be ongoing on Washington Street between Alabama Street and Capitol Avenue over the next week.

**Georgia Street**

Georgia Street is now open to vehicular traffic and improved pedestrian access. The contractor will still be working in the median area finishing pavers and minor boardwalk items. A few items such as asphalt wedges at a couple of driveways, trash cans/recyclable cans, bike racks, etc., will need to be placed, and this will be done over the next several weeks.
